GENERAL INFORMATION

FILING OF COMPLAINTS

If an offender is to be charged with an offense not listed on the CFR/collateral schedule, and the officer determines a complaint should be filed, he/she should proceed by complaint before the U.S. Magistrate having jurisdiction.

If circumstances warrant, a complanint may be filed for any offense shown on this fine list in lieu of issuing a violation notice.

SEPARATE VIOLATION NOTICE

Do not issue a violation notice for more than one offense. A separate violation notice must be completed for each offense.

PREPARATION OF VIOLATION NOTICE

In most cases a violation notice will not be issued until the alledged violator is questioned or interviewed.

1. Before issuing a Violation Notice, consider your evidence. Are you prepared to prove that this person committed this violation? If circumstances warrant, give an oral/written warning rather than issuing a Violation Notice.

2. In preparing Violation Notices, use a ball-point pen to ensure that all copies are clearly legible. Check the Defendant's copy to make certain it has the CVB address printed on it. After issuance, nothing may be changed on the white (original) copy.

3. In all cases, a seperate sheet will be utilized for the probable cause statement which will be attached to the CVB copy of the citation. The designation: "SEE ATTACHED" will be entered in the probable cause space on the back of the citation.

4. Contact should be made be made with the appropriate Magistrate for any additional instructions. (In some cases the Magistrate may request a copy of the probable cause statement at the time the citation is forwarded to CVB)

Distribution of Copies of Violation Notice

1. CVB copy (white) and DMV copy (yellow) are mailed within 24 hours to:
   Central Violations Bureau
   U.S. Courthouse
   1929 Stout St. Drawer 3587
   Denver, Colo. 80294

2. Pink copy is kept by issuing agency

3. Ivory copy (with envelope) is handed to offender at time of issuance.

CITATION INSTRUCTIONS

All violation notices issued must contain the following information:

1. CVB Location Code - a list of location codes are on the following page.

2. Signature and number of issuing officer.

3. Date of Notice - If the date of the offense is different, state it separately in the time and place section of the citation. CVB files by the date it is very important that the date is legible.

4. Time and location of offense.

5. Description of offense and applicable regulation.

6. Vehicle description and license (if applicable.)

6. Name, address, zip code, birth date and description of defendant. Be sure to verify the address with the defendant.

7. If the offense is a Mandatory Appearance - Check A box and tell the person he/she will be contacted for the court date and time. If the offense is a Optional Appearance - Check B box and write the amount of the collateral below from the schedule in this manual.

STATEMENT OF PROBABLE CAUSE

A Statement of Probable Cause should be drafted on a seperate page and attached to the original violation notice copy (see the example on the following page.)

The probable cause statement must be written in such a manner as to demostrate to the Magistrate that there is probable cause to believe that: (1) the offense was committed (2) the suspect committed it.

The probable cause statement must contain the facts and circumstances which the officer must have before a citation can be issued.

EXAMPLE STATEMENT OF PROBABLE CAUSE
(for issuance of an arrest warrant or summons)

I state that on November 11, 1990 at 1:40 PM, while exercising my duties as a law enforcement officer for the Salmon BLM District of Idaho, I saw a red Ford 4 wheel drive pickup license number 1/c 3945 drive around a motorized vehicle closure sign attached to a locked BLM gate in Malm Gulch in Custer County (SW quarter of the NW quarter of Section 20, T 12 N, R 19 E.) I stopped the pickup one (1) mile east of the gate in the closure area. The driver of the pickup was identified as Ms. Eva Ann Tesso, Rt. 2 Box 36, Challis, Idaho.

Upon questioning TESSO, she admitted going around the gate, but she said she did not see the closure sign on the gate. TESSO said she was going to the petrified forest area in Malm Gulch to collect rocks for her garden. A citation was issued for 43 CFR 8364.1 (d) Failure to comply with closure order - entering closed road and TESSO was asked to leave the closure area.

The forgoing statement is based upon:

_X__my personal observation___my personal investigation
___information supplied to me from my fellow officer's observation
___other (explain above)

U.S. MARSHAL'S OFFICE / ARRESTS

Following an arrest, the person must be taken immediately before the nearest Federal Magistrate for arraignment. If the arrest occurs on a weekend or holiday, the prisoner must be taken to the nearest Federally approved jail. In the event that this is impractical, any county jail may be utilized as long as the prisoner is transferred to a Federally approved jail at the earliest opportunity.

As soon as possible after the arrest, the U.S. Attorney must be informed that a prisoner is to appear for arraignment. A court date will be set at that time. A prisoner will not appear before a U.S. Magistrate without the presence or knowledge of the U.S. Attorney. After preliminary court appearance, the prisoner may be released by the court or remanded to the custody of the U.S. Marshal.

U.S. Marshal's Office / Arrests con't

Where circumstances permit, it is always desirable to confer with the U.S. Attorney in order to obtain an arrest warrant prior to any arrest being made. Additionally, in all circumstances, the nearest U.S. Marshall should be contacted for any additional instructions and/or assistance
